

## **Coed Cariad Learning Community**

### **Fees Policy**

We aim to make attending Coed Cariad as accessible as possible for families and we are striving to keep the costs as affordable as possible.

Please see below for guidance on fees. If you would like your child to attend Coed Cariad but you are currently not able to meet the fees requested, we encourage you to come and talk to us. Whilst we need to ensure the viability and sustainability of the project, we would like to be able to consider the possibility of 'payment in kind' contributions as an alternative payment. Families with an annual income lower than 50k, who wholeheartedly believe in Coed Cariad, are invited to apply to be considered for this.

We will currently be open 2 days per week and to help build our community we ask that any child attending commits to the 2 full days per week.

Daily Fee	Monthly Fee	Annual Fee
£25	£162.50	£1950

Each family will be required to pay an additional fee of £20 per term to contribute to materials and resources.

### **Sibling discount**

10% sibling discount will be available for each additional child.

### **Notice**

To aid proper planning, parents are requested to give as much notice as possible of their child leaving, and must give at least *1 months' notice in writing*. In the absence of this, fees must be paid in lieu. In addition, in the event of any amounts remaining outstanding when the child has left the school, the deposit will be retained.

### **Advance Payment**

Every family will be required to pay 3 months' fees in advance by direct debit. If in the event that you decide to leave Coed Cariad and give 1 months' notice, any outstanding payment will be returned to you.

### **Absences**

If your child cannot attend for whatever reason you will still be required to pay the full amount.

### **Voluntary Bursary Contribution**

Families with an annual income of 80k or over are encouraged to contribute £50 per term to help families that cannot afford the fees requested.
